The Grandstand has another great line up of entertainment for this year's great Minnesota State Fair. We are expecting a number of sell-out nights. Because it is difficult to find one night temporary fill-in employees, we hope that all Hildebrand employees will make every effort to be available for all the sold out concerts. There will be a few nights that a full staff will not be needed and we will let you know which nights those are ASAP. If you have a scheduled commitment during the fair that is unchangeable, please let us know before August 1st.
